When you enroll in this plan, you may take advantage of this benefit at no additional cost to you if you use a participating plan attorney. To obtain the legal plan's toll-free number and your company's group access number, contact your employer or your plan administrator for this information.

Portability⁵: If your present employment ends, you can choose to continue your current life benefits.

What Is Not Covered?

Like most insurance plans, this plan has exclusions. Supplemental and Dependent Life Insurance does not provide payment of benefits for death caused by suicide within the first two years (one year in North Dakota) of the effective date of the certificate, or payment of increased benefits for death caused by suicide within two years (one year in North Dakota or Colorado) of an increase in coverage. Please note that a reduction schedule may apply. Please see your benefits administrator or certificate for specific details.

Life coverages are provided under a group insurance policy (Policy Form GPNP99 or G2130-S) issued to your employer by MetLife. Life coverages under your employer's plan terminates when your employment ceases, when your Life contributions cease, or upon termination of the group insurance policy. Dependent Life coverage will terminate when a dependent no longer qualifies as a dependent. Should your life insurance coverage terminate, for reasons other than non-payment of premium, you may convert it to a MetLife individual permanent policy without providing medical evidence of insurability.

This summary provides an overview of your plan's benefits. These benefits are subject to the terms and conditions of the contract between MetLife and your employer and are subject to each state's laws and availability. Specific details regarding these provisions can be found in the certificate.
